

American Brain Tumor Association

September 14, 2005

Mr. Michael Sapper
[Redacted]
Carmel, IN 46032

Dear Michael:

It is with deep gratitude that we thank you for organizing the 1st Annual "Head for the Cure" 5K Fun Run/Walk in memory of your father, Theodore. As you requested, the net proceeds will be designated for our brain tumor research programs.

Your financial contribution of \$18,750 to the fight against brain tumors is vital to this battle. In addition, promoting awareness in your community about this disease is priceless to our organization. This heightened awareness brings hope to the 190,000+ people diagnosed each year with a brain tumor.

We are gratified by your initiative, support and encouragement of our brain tumor research programs. We look forward to working with you again next year.

Kind regards,

[Handwritten signatures of Naomi Berkowitz and Angela Allegretti]
